Team Challenge

FOR Team Challenge

Show your team's spirit for running and teamwork and be part of the [Team Bob's](#) Team Challenge.

Each team is evaluated on their top 5 runners in their respective age groups for either the 5K, 10K, 15K, or Half Marathon and top 5 runners will count for scoring...

Place in age group will be added up with the LOWEST points being the winner. Must have minimum 5 finishers in at least one race to score.

- Get your friends, family, teammates and co-workers to run – there is no limit!
- Awards to top 3 teams per category (pick up the Finish line after the race)
- Team captain should insure that all team members complete the online registration and select the right team!
